### **For Immediate Release:**

**March 2010:** In these tough economic times, it is important to know there are financial institutions that are strong, secure, and ready and able to assist their communities. **Coast Central Credit Union** is one such institution – dedicated to getting Main Street back on its feet. Since it exhibits overall financial superiority in such areas as: capital adequacy, delinquent loan levels and profitability, **BauerFinancial, Inc., Coral Gables, Florida** is proud to bestow its highest 5-Star Superior rating upon Coast Central Credit Union. In fact, this marks the 63<sup>rd</sup> consecutive quarter that Coast Central Credit Union has earned this distinction. Having earned this 5-star rating for a minimum of ten straight years, Coast Central has the additional honor of being an “Exceptional Performance Credit Union”.

“The unstable economic picture, both on Wall Street and on Main Street, makes it all the more important to recognize those financial institutions that are strong and stable,” remarks Karen L. Dorway, President of BauerFinancial. “The institutions that played by the rules and did not compromise their lending standards are the same institutions that stand ready to help build the economy back up. Coast Central Credit Union is an excellent example of this community spirit.”
