

Coast Central Credit Union: A Sense of Security in an Insecure World

For Immediate Release:

October 2008: Coast Central Credit Union has earned its highest 5-Star Superior rating for financial strength and stability. It is heartening to know that there are still well run financial institutions, like Coast Central Credit Union, that have risen above the calamity that has befallen so many others. The 5-Star Superior rating is based on the overall financial picture of the credit union and indicates that Coast Central Credit Union is one of the strongest in the nation. In fact, this represents the 57th consecutive quarter that Coast Central has earned this highest honor giving it the added distinction of being an “Exceptional Performance Credit Union”. Only institutions that have achieved this highest 5-Star rating for ten years or longer can claim this distinction.

“It gives me great pleasure to announce that there are still financial institutions, like Coast Central Credit Union, that continue to build a sense of security in this insecure world,” heralds Karen L. Dorway, president of the research firm. “Coast Central Credit Union’s members have the privilege of belonging to a well-run, common sense credit union. They can sleep soundly in the knowledge that they belong to one of the strongest credit unions in the country.
