

Why We Give Back Empowering Our Youth, Strengthening Our Community

“I wouldn’t have been able to achieve my goals without my credit union!”

Preparing to graduate from Arcata High, Brianne Beronilla was applying for financial aid and scholarships and working a part-time job, unsure if she’d be able to afford college. When she was awarded a 4-year, \$5,000 scholarship from Coast Central, that confidence in her potential was exactly what she needed to chase her dreams. A Journalism/Public Relations major at Cal Poly Humboldt, Brianne graduated with honors in 2021 and now works as a Social Media Marketing Associate with CampusParc at the Ohio State University in Columbus.

Supporting local youth, in a variety of ways, is at the heart of what we do.
