

Belonging Never Felt Better

Patriot Act Disclosure

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you when you open a new account: you must provide a **valid photo ID and a second form of ID** at any of our member services branches when opening a new account. We use these items to verify your identity.

Thank you for meeting this Federal requirement and helping us help you.
