

Fraud Alerts Text Messaging

By giving us your mobile number, you agree that Fraud Alerts text messaging will notify you of suspected incidents of financial or identity fraud. Messaging frequency depends on account activity.

- HELP instructions: Text **HELP** to **23618** or call us at 800-974-9727.
- STOP instructions: Text **STOP** to **23618** to cancel

Release of Liability: Alerts sent via SMS may not be delivered to you if your phone is not in the range of a transmission site, or if sufficient network capacity is not available at a particular time. Even within coverage, factors beyond the control of wireless carriers may interfere with the delivery of messages, for which the carrier is not responsible. Carriers do not guarantee that alerts will be delivered.
