

IMPORTANT

Valued Member,

Enclosed is your month-end October 31 statement. In anticipation of our computer system upgrade November 2-4, please note:

- This special statement includes accounts you may have with **quarterly dividends, which are being paid two months early for only the month of October**, and you'll see them reflected here.
- For November 30, you will receive your usual month-end statement.
- For the December 31 statement, you will receive your quarter-end account **information and dividends paid if applicable, but it will include only the months of November and December** (since we are providing October's information and dividends in this October 31 statement).

Please contact us at **(707) 445-8801** if you have questions, but keep in mind our Member Support Center is closed from 6 pm on Friday, November 1, until Tuesday, November 5, at 8:30 am due to our upgrade. Member Services Branches are also closed and will reopen at 9:30 am Tuesday, 10 am for Bayshore Mall.

Thank you for your patience and your membership.
